RE: Federal Acquisition Regulation Case #2001-014

Dear Laurie:

I am writing this letter in support of **repealing** the Clinton Blacklisting Regulation, which was issued on December 20, 2000 and was Mr. Clinton's pay off to the unions for getting him into and keeping him in office.

I am a small electrical/mechanical contractor from rural Ohio. Our company would be put out of business if this rule stays in effect. It would give our union competition just one more unfair tool in their war chest to use against us in the hope of eliminating another small merit shop contractor.

Please do the right thing and **repeal** the Blacklisting Rule.

Truly,

Timothy L. Vaughn
President
